

UKGuardianship Student Behaviour Code of Conduct

Statement

This Student Behaviour Code of Conduct outlines the positive behaviour it expects from students. It also provides information about specific laws in the UK. The aim is to provide guidance in key areas of UKG expectations. The guidance is written for the benefit of students, parents / agents, staff and homestays.

Behaviour Code of Conduct

Behaviour and conduct when staying with a Homestay

UKG expects all of their students to be polite and courteous when staying with a homestay. In the UK, it is expected that you say “please” and “thank you” when asking for and receiving items. Your homestay is not a hotel and the expectation is that you will be included as part of the family. As such, you will be expected to engage with family members, joining them at mealtimes, and possibly helping with chores such as laying the table. Your homestay will explain their own house rules with you when you arrive. Please do ask them if you have any questions.

Curfew arrangements

Students who have permission to go out on their own will be required to return to homestays by the following times:

15 and under	Must be accompanied by an adult member of host family
16 & 17	10pm at the latest
18 and over	11pm at the latest

If you go out, you must tell your host family where you are going and when you will be home. Make sure you have the telephone number of the host family and UKG’s emergency phone number (07834 465463) with you and that the family have your mobile number. Your phone should have enough battery and be switched on at all times. If you are delayed, you must phone the host family to let them know.

UKG suggests that student **bedtimes** should be as follows:

12 and under	9pm
13 – 15	10pm
16 – 17	10:30pm
18 and over	11pm

Any deviation to these times should be discussed with the homestay. Please remember many families NEED TO BE UP EARLY to go to work, therefore please be considerate (do not take a shower late at night!) and be QUIET!

Use of the kitchen area

Most homestays will prepare meals for you (breakfast, lunch and dinner). You may want to help the family in their meal preparations or cook something yourself. Please do talk to your homestay about this and they will advise you how to use the kitchen and the necessary safety rules. If you have your own food that you wish to eat during your stay, please let your homestay know so that this can be stored safely (for instance in a fridge if required). You will be able to access drinks and snacks throughout the day, such as fruit or biscuits. Your homestay will explain how you can access these.

Use of the bathroom

Students are asked to be respectful of the family routines. If you are sharing a bathroom, please be considerate with the time taken to shower and bathe as others may need to use the facility. Please leave bathrooms tidy. Some families may have limits on the amount of hot water available each day due to their boiler capacity. Please discuss the best times for showering or taking a bath. It is not usually necessary to shower or bathe more than once a day. Please ensure that you lock the door of the bathroom when in use and ensure that you are suitably clothed when travelling to and from the bathroom.

Use of the Wi-Fi / access to the home computer

Please discuss Wi-Fi access with your homestay. Some families have packages where they have a limit on the data they may use in a month; therefore, streaming films for example would be inappropriate. Please note that homestays may have filters on their internet and may use parental controls to prevent access of inappropriate sites. Some homestays may turn off the Wi-Fi at bedtime. Students should use their own devices rather than the family's home computer.

Laws regarding the consumption of alcohol

UKG does not permit their students to consume alcohol whilst under their care, including when they are staying at a homestay. In the UK it is illegal for people under 18 to buy alcohol in a pub, off-licence, shop or elsewhere. In most cases, it is against the law for anyone to buy alcohol for someone under 18 to drink in a pub or a public place.

Laws regarding the use of drugs and illegal substances

UKG prohibits students from using recreational drugs and illegal substances whilst in their care. In the UK you can get a fine or prison sentence if you:

- take drugs
- carry drugs
- make drugs
- sell, deal or share drugs (also called 'supplying' them)

If you are under 18, the police are allowed to tell your parent, guardian or carer that you've been caught with drugs.

Laws regarding smoking / vaping

UKG prohibits students from smoking or vaping whilst in their care. In the UK, you must be over 18 years old to buy cigarettes and vapes in the UK. It is illegal to have, give or sell cannabis to anyone. Most schools in the UK have a general non-smoking policy, including e-cigarettes, for staff and students. UKG follows the same guidelines to include all students in their care, regardless of their age.

Laws regarding sexual activity

UKG prohibits students from engaging in sexual activity whilst in their care, even if they are over the age of consent. In the UK the age of consent is 16. That means that it is illegal to have sex with someone under the age of 16.

Laws regarding tattoos and body piercings

UKG prohibits students from having a tattoo or body piercing whilst in their care. In the UK, it is illegal to tattoo a young person under the age of 18, even if they have parental consent. There is no legal age of consent for body piercing, and so it is legal for someone under the age of 18 to have a piercing as long as they have consented to it. Children under the age of 16 cannot legally consent to a genital (or in the case of girls, nipple) piercing, as it's considered to be indecent assault.

Arrangements when Students wish to stay away from the homestay

While staying with your homestay you are not allowed to stay away from the homestay unless permission has been given by UKG.

Abusive Behaviour

We do not accept any abusive behaviour by students, staff or visitors (this includes unkind words, messages and actions, verbal, mental and physical abuse, taking or damaging someone else's things, violence or anger towards another person, talking to/about people in an unkind way, teasing, harassment, bullying).
